 - Parent Job: One parent/guardian is assigned one job per child for the year; a board position can be the parent job; most jobs can be done at home.
 - Fundraising: All families need to help with the fundraisers so the school can pay for extra activities and supplies, field trips for the children, and to keep fees low; typical fundraisers include a 50/50 online raffle, product sales (chocolate, plants, etc.), and spring activity (ex. carnival or bike-a-thon), if possible.
 - Casino: A casino is planned for early 2026. Families must provide one casino worker (does not have to be a family member if this goes against cultural or religious practices).
- Financials
 - Payments are summarized in the table below:

Class	**Registration Fee (paid at registration)	Total Monthly Fee (1st of month Sept-May)	Total Monthly Fee After \$100 grant*

- No required in-class volunteer/duty days. Adults can help in class if they would like to.
- If your child has been placed in a class, you will be asked to submit the forms for your banking information and school fees and fines form to the Registrar within 10 business days. Registration is only available online.

Cancelling: Withdrawal Form must be filled out and sent to the Registrar. No less than one full month's notice is required (for example, if you wish to have your child leave any time in December, then notice must be received and acknowledged by the Registrar before November 1st.). Withdrawals on or after March 1 will require payment of program fees for March, April, May, and June.

Communication: We like to keep in touch with our families using emails, private Facebook groups, and newsletters.

Drop-off and Pick-up: Meet the teachers at the front door of the school on 115 Street. Wait for the teachers to take your child before leaving. At pick-up, the teacher will send out your child when they see you. Verbal notification to the teachers is needed if someone not listed in your file will be picking up your child. Call the classroom if you are late.

What to Bring to School: Each child should have a backpack, non-slip indoor shoes (to be left at the school), a healthy snack (nut free), a juice/water bottle, a complete change of clothes (stays in their backpack). Please label all of your child's belongings before their first day. Your child should be dressed appropriately every day for the weather so they can play outside if possible.
